Subject: OBSERVATION

Dear Takashina Sensei,

Hoping that this letter find you well,

JKA Ecuador through Ruben Flores sensei as its representative wants to point out an issue that has come to our hands this last week.

We received by post mail, and check at the ISKF WEB PAGE that a individual called Marcelo Alzamora has gone to the ISKF Master camp and he has signed the resignation of Ecuador from the JKA.

This individual gave the test of Shodan several years ago, however he has NO VOICE nor VOTE in our Organization (JKA ECUADOR), he has never been our representative in any event, because he wasn't my student and either ask for his certificate. He has never asked to us to assist to The Master Camp, so we didn't know he was there.

Through this letter we want to RE confirm, what we had talked during your stay in Ecuador last MARCH 07. JKA Ecuador will remain as JKA and also will remain as part of JKAWF.

We as an organization wanted to bring you back for JUNE 07 however due to the political issues that our country is going through we were not aloud to find a proper accommodation for you Sensei.

Sincerely,

Ruben Flores Bifarini  
Chief Instructor  
JKA /WF Ecuador
