To the directors of the JKA/WF Americas,

We would like to thank Mr Nagatomo for taking the time for contacting us regarding membership into the JKA/WF Americas.

We would like to take this opportunity to ask permission to represent JKA/WF Americas in Manitoba, Canada. It would be an honor to help develop and form a strong JKA organization in Canada.

We left the ISKF with our group in 2000 and then joined the CJKF in 2001 and left in 2004. I'm not sure if you need any other information, please let us know if you do and we will gladly send you whatever you need. We would like to formally ask for an official letter and registration form giving us permission to represent JKA/WF Americas in Manitoba.

Yours in Karate-Do,

  
Phillip Dingman  
Technical Director of Manitoba

  
Brian Dingman  
Vice Technical Director of Manitoba
