To whom it may concern

In light of the pending split of the ISKF from the JKA, the instructors of the APKS (Panamanian Shotokan Karate Association) met to discuss the future of our organization. We now wish to announce that have made the unanimous decision to remain affiliated to the JKA World Federation.

We are willing to fulfil all the criteria and follow the standards required by the JKA World Federation and look forward to the future of Karate with the JKA World Federation.

Sincerely

Mr. Arturo Worrrell

Representative for Panama
